

MOB READY TO LYNCH ALLEGED ABDUCTORS

Thousands Gather In Business Section of Springfield, Mo., This Morning

CARRY ROPES AND ARMS

Mobs Form in Response to Report That Sheriff and Prisoners Are Overpowered

CROWD NUMBERS 10,000

BULLETIN
SPRINGFIELD, Mo., June 10.—A telephone message from Fair Play, Mo., at 3:00 a. m., said the prisoners are in jail at Stockton, Cedar county, Mo., 15 miles from Fair Play and less than 50 miles from here. Stockton is not on a railroad.

BULLETIN
SPRINGFIELD, Mo., June 10.—Paul O'Day, county prosecutor telephoned here shortly before 2 o'clock this morning (Sunday) that Sheriff Webb and his party of alleged abduction plotters, fleeing from threatening mobs here, were safe somewhere in Cedar county, Missouri.

O'Day telephoned from Humansville, Mo., in Polk county saying he was on his way to meet Sheriff Webb to obtain additional statements from some of the prisoners.

The crowd of ten thousand people on the public square awaiting the belief that the prisoners had been captured and were being returned here, had not diminished in size at 2 o'clock.

Apparently the crowd's intention was to remain all night.

Mrs. J. Holland Keet the baby's mother was on the verge of a breakdown tonight. The father, too, after the long search since the night of May 30, when the child was kidnapped from the family's home here, during which time he had tried to keep up both his spirits and those of his wife, was grief-stricken tonight and in a pitiable plight.

The great crowds that gathered along the streets tonight discussed nothing but the finding shortly before noon today of the body of the Keet baby in a well on the deserted Crenshaw farm, eight miles southwest of here.

SPRINGFIELD, Mo., June 10.—Thousands of residents of Springfield and the surrounding country were gathered in the business section here early this morning (Sunday) many carrying ropes and arms in response to a report that the band of alleged abductors, held in connection with investigations of the death of Lloyd Keet, had been apprehended by a mob and were being brought back to Springfield.

One report was that Sheriff Webb and his prisoners who were fleeing from Springfield thru fear of violence, had been overpowered by the Caplinger's Mill, forty five miles north of here, as they were nearing Nevada, where they were to board a train bound for Jefferson City. Earlier reports had placed the party as having passed Eldorado Springs, a point a few miles nearer Nevada than Caplinger's Mill. Police were endeavoring to handle the crowds which were threatening violence if the prisoners, one of them a woman, should be returned here.

One report was received here to the effect that Sheriff Webb had intended to place his prisoners in the Polk county jail at Bolivar, Mo., a point reached early. Taylor Adams, however, one of the prisoners, pleaded that they be taken to a stronger point and Sheriff Webb agreed to drive them to some out-of-the-way place where they would not be found, or at least could be held until reinforcements were received from Springfield.

Mob Drives in Sight
The party scarcely had left town, according to the report when the mob, trailing in speedy motor cars, drove in sight behind them.

North of Bolivar, apparently at Humansville, the sheriff again had outwitted his pursuers, but near Caplinger's Mill he was held up by the destruction of a bridge. The latter, farmers were said to have accomplished in a desire to slow up the party so the mob might apprehend it.

Sheriff Webb was reported to have taken his prisoners into nearby woods. A message received here by friends of the Keet family was that the pursuers had surrounded the woods. Communication lines to the Caplinger's Mill district are few. The rugged character of the country made it almost impossible to obtain information. Estimates shortly after 1 o'clock this morning was that the crowd on the public square here numbered 10,000.

Find Body in Well
Springfield, Mo., June 9.—The body of the missing fourteen months old son of Mr. and Mrs. J. Holland Keet was found in an old well on the deserted Crenshaw farm near here, known as the headquarters of the alleged abduction band, shortly before noon today. The body was taken to Springfield and identified by the father and mother.

EARTHQUAKES STILL FELT AT SAN SALVADOR

Property Damage Heavy—Loss of Life Believed to Be Small

Tremors Diminishing in Intensity—Funds for Relief of Sufferers Being Raised in Nicaragua and Costa Rica.

San Juan Del Sur, Nicaragua, June 9.—Altho the earthquake which shook San Salvador, capital of Salvador, and neighboring towns Thursday evening caused considerable destruction of property, it is not believed the loss of life was great. However, no authentic information of the casualties and damage caused by the earthquake and the simultaneous eruption of the San Salvador volcano as yet is obtainable.

Some of the principal commercial houses and theaters in San Salvador were destroyed as also were hundreds of small homes. The neighboring towns of Armenia and Quezaltenango virtually were wiped out and most of the casualties caused by the disaster occurred there. The large town of Santa Tecla, several miles west of San Salvador, suffered great property damage, but the loss of life there was small.

The earth shocks continue to be felt around San Salvador, but they are diminishing in intensity.

The better class of residents of the Salvadoran capital, according to the accounts of eye-witnesses, were finishing the evening meal when the city and the surrounding towns began to shake. This was at seven o'clock Thursday evening and almost simultaneously the San Salvador volcano began to throw out lava and ashes thru three freshly opened craters. The extremely low casualty list in San Salvador is believed to be due to the early hour of the disaster, as it enabled the inhabitants to flee to the streets and other open places as soon as the first shock was felt. A torrential rain accompanied the earthquake and for six hours the rain fell without cessation, greatly increasing the sufferings of the inhabitants.

Altho the earth shocks were felt at a considerable distance from the center of activity the departments of San Salvador and La Libertad chiefly were affected.

Funds for the relief of the earthquake sufferers are being raised in Nicaragua and Costa Rica.

WAR NEWS SUMMARIZED

The German army under Crown Prince Rupprecht of Bavaria apparently has not recovered from the master stroke made against their line south of Ypres by the second British army on Thursday. Shaken by the mine explosion and the terrible bombardment of the British guns the Germans lost more than 7,000 prisoners and have made no strong effort to retake lost positions.

Their unavailing attacks of Friday being stopped, the Germans on Saturday failed to renew their attempt and were content to use only their artillery in a duel with the British. The newly gained ground having been torn by the mine explosions and filled with shell craters, the British were busy Saturday in organizing their new positions. They found time, however, to extend their gains slightly on the right flank of the nine mile front. In addition to losing more than 7,000 prisoners in the British drive and the subsequent fighting since Thursday morning, the Germans lost a large number of guns, machine guns and trench mortars.

Demand for trial and punishment of Nicholas Romanoff, the deposed emperor is growing thruout Russia. The crews of three Russian warships have asked that the former emperor be confined at Kronstadt until he is placed on trial and they threaten force if their demand is rejected.

The Italians have indicated that they are more than half expecting an Austrian offensive in the Trentino, made possible by the bringing of Austrian troops in large numbers from the Russian front. There is no indication of any such contemplated attack as yet, the reports announcing only normal activities in the Trentino. The Austrians still are contesting the ground occupied by the Italians in their notable thrust for Trieste, however, and attacked several times Friday night, chiefly in the region north of Gorizia. The Italians beat off all these assaults.

There has been little military activity along the Russian front but the Germans have evidently been busy in other ways for Petrograd reports a wireless message sent to the Russian armies by the German commander-in-chief on the eastern front in an attempt to inveigle them into an armistice and secret negotiations with the German leaders.

The council of soldiers and workmen gave out this information accompanied by a denunciation of the German effort to induce the Russians to play their allies false.

LOWDEN MAKES APPOINTMENTS
Springfield, Ill., June 9.—John L. Whitman, now superintendent of the house of correction of Chicago, today was appointed by Governor Lowden as superintendent of correctional institutions under the new state department of welfare. His appointment is effective July 1.

WILLIAMS MAKES RULING
Washington, June 9.—Comptroller Williams ruled today that the law limiting loans by a national bank to any corporation or person to an amount not exceeding ten per cent of the bank's capital and surplus, would not apply in cases where banks aid their customers in purchasing liberty loan bonds by installments.

ITALIANS VIRTUALLY COMPLETE CONFERENCE

WASHINGTON, June 9.—The Italian war mission virtually completed its conference with American officials today and will leave sometime next week for a farewell tour of the south and middle west.

Altho no formal announcement of the results of the conference was made it was understood there was a complete agreement for co-operation between this government and Italy, including unstinted financial and industrial aid from the United States. A new loan probably will be made shortly.

Taking part in the conferences with American officials today were all the members of the mission except the Prince of Udine, who has been ill.

KING GEORGE RECEIVES PERSHING AND STAFF

Officers Pay Call at U. S. Embassy After the Audience

British Monarch Shakes Hands With General Pershing and Members of His Staff and Expresses Pleasure at Welcoming Advance Guard of American Army.

London, June 9.—General Pershing was received this morning at Buckingham Palace by King George. He was presented to the king by Lord Brooke, commander of the Twelfth Canadian Infantry Brigade.

General Pershing was accompanied to the palace by his staff of twelve officers. After the audience the officers paid a formal call at the United States Embassy.

After the formal reception the king shook hands with General Pershing and the members of his staff, and expressed pleasure at welcoming the advance guard of the American army.

The afternoon was taken up with conferences at the war office. Tomorrow General Pershing and his staff will attend a service at Westminster Abbey. The general will dine with Ambassador Page on Monday at which time he will meet Premier Lloyd George and his chief associates of the cabinet. Other guests will be Paul Cambon, the French ambassador, and Vice Admiral Sims, U. S. N., who met General Pershing for the first time on his arrival yesterday. On Tuesday evening members of the British cabinet will give a dinner to the general.

The American privates with the Pershing party are being entertained, when not occupied with clerical or routine work by a civilian committee and by committees of British soldiers.

RAILWAYS AND SHIPPERS PRESENT ARGUMENTS

WASHINGTON, June 9.—Eastern railways and shippers today submitted their final arguments on the proposed fifteen per cent advance in freight rates before the interstate commerce commission. The carriers of other sections and others interested parties will be heard Monday and Tuesday.

The eastern carriers' attorneys told the committee that ample evidence of an emergency had been presented during the hearing, due to increased costs of fuel, supplies and equipment as well as to advanced costs of labor under the Adamson law. The shippers' representatives declared that fallacious in the past, and urged the commission not to grant an increase in rates until a thorough investigation of the basis of the carriers' expense forecast for 1917 had been made.

KAISER NARROWLY ESCAPES BOMBARDMENT

LONDON, June 9.—Emperor William was with Field Marshal von Hindenburg, Prince Eitel Friedrich and other members of the German emperor's staff inside the St. Peter's station at Ghent, Belgium, when it was bombed by Entente Allied airmen the other day, according to a despatch to the Exchange Telegraph Company, from a Dutch frontier correspondent. The emperor's party was unhurt but three army officers nearby were killed.

WEATHER PREDICTIONS FOR COMING WEEK

WASHINGTON, June 9.—Weather predictions for the week beginning June 10, issued by the Weather Bureau today are:

Region of the Great Lakes—Mild temperature. Partly overcast with occasional showers.

Plain states and Upper and Middle Mississippi valleys—Cooler Monday and Tuesday followed by normal temperatures. Occasional showers are probable the first half of the week; latter half generally fair.

INTERURBAN CARS COLLIDE

Port Huron, Mich., June 9.—Two interurban cars filled with passengers collided at St. Clair near here this afternoon. A report received here said several persons were killed and about 20 were injured.

WILLIAM REDMON KILLED

London, June 9.—It was unofficially reported here that William H. K. Redmond, member of parliament for the east division of Clare, and a brother of John Redmond leader of the Irish Nationalists in the house of commons had been killed on the battle front in France.

TWO KILLED IN TORNADO

Memphis, Tenn., June 9.—Two persons reported were killed when five houses were destroyed by a tornado at Kerville, Tenn., 15 miles north of the city last night. Several persons are missing.

DEMAND TRIAL OF FORMER RUSS Czar

Crews of Three Warships Want Nicholas Imprisoned at Kronstadt

THREATEN TO USE FORCE

Defiance of Soldiers and Workmen in Kronstadt Again Gravates Situation

CABINET GIVES WARNING

PETROGRAD, June 9, via London.—The demand of the revolutionaries for the trial and condemnation of the former emperor and, in the meantime, his subjection to restraint in prison which at first was made only by a handful of irresponsible extremists, is growing daily. All Petrograd laughed at the resolution of the Bolsheviks, the faction led by Nikolai Lenin two days ago demanding the transfer of Nicholas to Kronstadt or even to the Siberian mines.

But today comes official news that the crews of the Battleships Republic and Gangut and the Cruiser Diana stationed at Helsingfors had adopted a resolution requesting the imprisonment of the former emperor at Kronstadt until he is placed on trial.

The sailors declared that if the demand was rejected the warships would apply force.

On Thursday Saratov was placarded with red proclamations having the same import and today there are being sold in the streets of Petrograd thousands of leaflets inscribed: "Trial for Nicholas III."

Situation Again Aggravated.
As a result of renewed defiance by the council of workmen' and soldiers' delegates in Kronstadt, which yesterday declared that its resolution deposing the Petrograd government still holds good, the situation again is aggravated.

Two cabinet meetings on the subject were held yesterday and it was again decided to take resolute action. The cabinet is informed that the fourth fleet at Kronstadt is entirely reliable and attached to the provisional government and that the whole trouble is due to the civil and military population of Kronstadt.

Convinced of its strength the cabinet late today issued a warning to all citizens of Kronstadt that its decrees must be obeyed without qualification.

Council Denounces Proposals.
The Council of Soldiers and Workmen has made public the fact that the German commander in chief of the eastern front sent a wireless message inviting the Russian armies to a separate armistice and proposing that they pourparlers with the German leaders. The council denounces the proposals in the telegram the council's announcement state, the German commander proposed to show the armies a way towards an honorable peace and a means of ceasing to wage war without a rupture with the entente allies.

SHIPPING BOARD WILL RETAIN EUSTIS

WASHINGTON, June 9.—Despite General Goethals' dismissal of F. A. Eustis as assistant general manager of the emergency fleet corporation, the shipping board will retain him as a consulting engineer.

Mr. Eustis, who conceived the plan of building a vast fleet of wooden ships to run the German submarine blockade and was retained by the board, originally was assigned to assist General Goethals when the fleet corporation was formed with the general at its head. Yesterday the general dismissed him because he charged that the corporation was not taking advantage of facilities for wooden shipbuilding.

MANY VOLUNTEERS FOR AVIATION SERVICE

FT. SHERIDAN, Ill., June 9.—More than 300 men attending the reserve officers' training camp here had signified today their willingness to enter the aviation service of the United States army. The call for volunteers issued from Washington yesterday stated that 200 men a week for an indefinite period would be taken from the fourteen camps throughout the country for special training in aviation. It is expected that the men chosen will be those whose youth make them better fitted for aviation than for commanding large bodies of men.

EXPECT BITTER CONTEST

Dublin, via London, June 9.—The death of Alderman Cotton, nationalist member of parliament for south Dublin, has given the Sinn Fenians an opportunity to try to win another seat in parliament. The constituency is mainly composed of populous suburbs in some of which fighting occurred during the rebellion of 1916. The contest promises to be a bitter one.

SPANISH CABINET RESIGNS

Madrid, June 9, via London, June 9.—Marquis Manuel Garcia Prieto has tendered to the king the resignation of the cabinet.

LOWDEN NAMES MURPHY WARDEN AT JOLIET

SPRINGFIELD, Ill., June 9.—Governor Lowden today announced the appointment of E. J. Murphy as warden of Joliet penitentiary.

Mr. Murphy was selected by the penitentiary board at a meeting in Joliet today. He was picked, it was stated, as a man of sufficient experience to take up the troubled situation at the prison and handle it successfully.

He succeeds A. L. Bowen, secretary of the state board of charities, who has been acting temporarily as warden.

Mr. Murphy was warden of Joliet under Governor Deneen, also served as warden of Chester prison and has been on the board of pardons.

FORBIDS DISCUSSION OF SHIP MOVEMENTS

Secretary Daniels Issues Order At Admiral Benson's Request

Department Acts Only After Officers of the Intelligence Division Report Information, the Nature of Which Was Not Disclosed, Had Leaked Thru Somehow to Germany

Washington, June 9.—Convinced that valuable information is reaching the enemy, Secretary Daniels issued an order today at the urgent request of Admiral Benson, chief of operations, forbidding all persons in the naval service from discussing except officially, even among themselves or with the members of their families "any question relating to the disposition, movements, or proposed movements of naval or military forces."

The department acted only after officers of the intelligence department had reported that information the nature of which was not disclosed, had leaked thru somehow to Germany.

Mr. Daniels said he had hesitated to issue the order for many days not desiring to hamper unduly officers and others in the service, but that his military advisers had been very urgent. There was no thought, he said, that any person in the navy had revealed the plans of the department except thru inadvertence.

The secretary pointed out that experiences of the allies had shown that seemingly very unimportant news sometimes was a sufficient clue for an alert foe to determine a movement in advance.

The purposes of the department are fully explained in the order which Secretary Daniels was careful to explain did not refer to the press and was in no sense an effort to prevent the newspapers from getting news.

RUTH LAW SWOOPS DOWN ON KANSAS CITY

KANSAS CITY, June 9.—Miss Ruth Law swooped down on Kansas City today dropping thousands of liberty loan "bombs" the great crowd watching for her. Then climbing to a height of about 6,000 feet she sailed across the city and landed at Swape Park.

Miss Law, clad in army khaki and wearing the insignia of the army flying corps, was greeted by a committee from the liberty loan committee.

PAPER COMPLAINS ABOUT PAN-GERMAN BROCHURE

Vorwaerts of Berlin Addresses Energetic Complaint to Gen. Von Ludendorff, Lieut. Gen. von Stein and Others in High Official Places

Copenhagen, June 9, via London.—An energetic complaint is addressed by the Socialist newspaper Vorwaerts of Berlin to General von Ludendorff, Lieutenant General von Stein, the Prussian war minister and others in high official places, who are facilitating the circulation among the troops in hospitals, in schools and elsewhere of a pan-German brochure entitled "German's position under good and bad peace."

The brochure, which belongs with the most extreme outbursts of the annexationist literary fancies, is directed particularly against peace along the lines suggested by Dr. Scheidemann and other Socialists. It contains graphic representations of Germany bowed down under a weight of debt in consequence of a peace without indemnity, and striding forward with vigorous strength and a mighty bag of gold in the event of a Pan-German peace.

PERMITS GURKO TO RESIGN

Petrograd, via London, June 9.—General Gurko's request for permission to resign as commander on the western front has been answered by an order from Minister of War Kerensky, relieving him of his command and appointing him general of division. General Gurko's request was made after Minister Kerensky had issued an order prohibiting the resignation of any officer.

New York, June 9.—The New York American League club announced tonight the release of pitcher William Pierce to the Cleveland club of the American league.

BLOOMERS SIGN ELLIOTT

Bloomington, Ill., June 9.—Normal Elliott, former Wesleyan university star pitcher, was today signed by the Bloomington Three Eye League club. Marlon is slated for his release.

HOLD ELECTION IN PETROGRAD

Petrograd, June 9, via London.—Elections to the district and municipal councils began here today. For the first time in Russian history universal suffrage was in operation.

TWENTY-SIX STATES REPORT DRAFT TOTALS

Show Registrations of 4,816,768 Men for War Service

On the Basis of the Returns It Is Calculated That the Grand Total of Registrations Probably Would Be Close to 9,000,000.

Washington, June 9.—Twenty-six states and the District of Columbia, having all told slightly more than fifty per cent of the country's population, had sent in complete reports of their military registration tonight showing total registrations of 4,816,768 young men for war service.

For the territory reporting the census estimate was 5,375,596 eligibles and on the basis of the returns it was calculated that the grand total of registration probably would be close to 9,000,000 in place of 10,254,000 as forecast by the census experts.

The reports showed white registrations totalling 3,501,456, colored 634,170, alien 277,967 and enemy alien 45,918. Possible exemptions indicated totalled 2,508,621.

Officials pointed out tonight that the census figures were intended only as approximate and that discrepancies should not be taken as indicating evasion of the draft. It also was pointed out that between 500,000 and 1,000,000 men included in the estimate already are members of the army forces of the nation and therefore did not register.

Many of the states which previously reported complete returns are sending supplemental reports adding to their totals. Delays in registering, especially among those who registered by mail, is responsible. This shifting of totals may delay a final tabulation for a week or more.

In some states, too, there was confusion over classification over these registering making it difficult to tabulate in concise form even the returns so far received.

MANY GERMAN ARMY FLIERS BEING KILLED

COPENHAGEN, June 9, via London, June 10.—Death notices in German papers indicate what a terrible toll the western battle is taking among German aviators. Scarcely an issue of the Berlin, Hamburg or other papers which circulate among officers appears without at least two or three and often eight or ten notices of deaths in the flying corps.

Occasionally there is a noteworthy one like today's announcement of the death of Lieutenant Schaefer who was mentioned in despatches on Tuesday for bringing down his thirtieth enemy airplane.

Death notices of sub-officers are as rare as those of flyers are frequent. For several weeks none has been noticed in the Berlin and Hamburg papers and it is possible that the admiralty has prohibited their publication.

RED CROSS MISSION ENROUTE TO FRANCE

WASHINGTON, June 9.—The American Red Cross commission which is to make preparations for the coming of American troops to the European battlefields and to contribute American's relief to the destitute of France is on its way across the Atlantic.

It will work on similar lines to the commission for the relief of Belgium and will have representatives in every district of France and other countries where need is immediate. For the American troops, it will provide centers of recreation and amusement and assemble medical resources for emergencies. It will maintain headquarters on the ground for the period of the war to direct the vast relief of the United States is to render.

At the head of the commission is Grayson M. P. Murphy, vice president of the Guaranty Trust company of New York, now a major in the army.

INDICT INTERNED GERMAN OFFICER

PHILADELPHIA, June 9.—The federal grand jury here today indicted Max V. Thierichens, former captain of the sealed German auxiliary cruiser Prince Eitel Friedrich, Adalbert K. Fischer, Mrs. Helena Fischer, his wife, and Henry K. Roehner of this city on charges of conspiracy and smuggling.

In addition Captain Thierichens was indicted on a charge of violating the Mann white slave act.

NEW RECORD FOR CAPTURES

London, June 9.—A new record for the number of prisoners captured in a raid is reported by Reuters' correspondent at British headquarters in France. The Canadians brought back 150 prisoners from the German lines southwest of Lens. Other successful raids were made, and the Germans are being harried as never before.

ONE PERSON SHOT IN PURSUIT OF WILD STEERS

Los Angeles, Cal., June 9.—One person was shot and wounded seriously and a man was caused in the down town district today when seven wild steers broke from their pens in a railroad yard here and ran wild in the streets. Four steers were killed by officers and citizens who took up the pursuit.

HOLD MILITARY FUNERAL

Fort Snelling, Minn., June 9.—Military funeral honors today were paid Captain John R. McGinness, U. S. A., who was killed by a fall Tuesday night. The routine work of the student officers camp was suspended during the service. The body was sent to Kansas City, for interment.

ABANDON HOPE FOR ENTRAPPED MINERS

One Hundred and Twenty Five Believed Dead in Mine Fire

TAKE OUT FORTY DEAD

Helmet Men Encounter Strong Gas and See Many Bodies They are Unable to Recover

GAS FILLS WORKINGS

BUTTE, Mont., June 9.—Up to midnight 48 bodies had been recovered from the works of the North Butte Mining company in which fires are burning. All hope of any of the missing men having escaped have been abandoned. It is believed the death list will exceed 200.

BUTTE, Mont., June 9.—All hope that any of the unaccounted for miners, believed to number more than 175, had escaped from the North Butte mines in which fire broke out late last night was abandoned tonight when the helmet men penetrated to the 7,200 foot level of the Speculator mine from adjoining mines, waded through water up to their arm pits, encountered strong gas and saw many bodies which they were unable to recover.

Take Out Forty Dead.
Forty dead had been taken out up to tonight.

It had been planned to attempt to hoist eleven bodies through the high ore mine, but a shifting in the air currents drove out the helmet men and to prevent the high ore mine and others from filling with gas, bulkheading was started early tonight and the bodies will be walled in with concrete until some future day when the extinguishing of the fire will permit their recovery.

Helmet men when the 2,200 foot level was reached, rang the danger signal which caused the wildest excitement, it being believed that the signal had come from entrapped men who still were alive. Ambulance were called and every physician in the city hurriedly summoned to the North Butte. The return of the helmet men to the surface with news that it was impossible for any human to live in the dense gas filling the lower workings of the North Butte spread gloom.

Shaft a Roaring Chimney.
The Granite Mountain shaft, 3,600 feet deep, was a roaring chimney and with the destruction of its supporting timbers the ground was caving, compelling all work to be directed from the levels connecting with adjoining mines.

The Speculator, another shaft about 800 feet distant, connects with the Granite Mountain on the different levels. To night that shaft also was in danger as water from the levels was running into it and had caved a portion. There was no fire in this shaft, however. Tons of water were being poured into the Granite Mountain shaft and from points of connecting levels with adjoining mines as near as it is possible to get to the scene of the fire.

FLOOD REFUGES POUR INTO QUINCY

QUINCY, Ill., June 9.—Victims of the break in the levee at Taylor, Mo., late Wednesday are pouring into Quincy today. There is great suffering among the smaller farmers of the stricken district. The levee at Taylor which was broken will be rebuilt according to announcement made by engineers early today.

The damage to growing crops is estimated conservatively at a quarter of a million dollars. Many farmers who were ruined by the flood have been offered homes and employment on this side of the river.

REPORT UTE ON WAR PATH

Durango, Colo., June 9.—Unconfirmed reports received here from the Ute reservation tonight indicate that Ute chiefs, Polk and Posey, with several followers, have begun threatening demonstrations. They are well armed.

REDEMPTION
PLATFORM PLEDGES.

Favorable action is expected in both the senate and house in Springfield this week on the proposed law limiting the working hours for women in this state. Governor Lowden in sending a message to the legislature asking that action be taken on this class of legislation, is simply seeking to have his party carry out the program pledged in the platform at Peoria. Illinois is fortunate in having a governor who believes that pre-election pledges made by parties and candidates should be redeemed.

D. A. R. IN PATRIOTIC ACTION.

Nothing could be more fitting than the method of observing flag day that Rev. James Caldwell chapter D. A. R. has chosen. It is the plan to omit the usual picnic celebration and to observe the day to sewing for the soldiers. The money which would have been expended in arranging for the usual celebration will instead be devoted to the purchase of yarn or other needed supplies. This is just the beginning of the practical patriotic work that the D. A. R. will do during the coming trying days. Certainly this is the time for patriotic organizations to turn their attention to the practical ways of helping along with the world struggle for democracy.

A DEFENSE OF CONGRESS.

A very interesting letter from Senator Sherman was published in the Chicago Tribune Saturday wherein the senator makes some caustic comment on the war, congress, newspapers and the public. The senator is not a critic of the war but he does not excuse the administration for some mistakes that have been made in the preparations. Furthermore he lets it be known that he greatly regrets that it was necessary for this country to break away from the moorings which have held it thru so many years and take part in affairs in the old world which lead to no one knows where.

The senator with some good reason, objects to the tendency shown by the newspapers and the public to make a butt of congress and to continually harp about the vast amount of talking done there and the small amount of actual accomplishment. In his own virile, pointed way, Senator Sherman calls to mind the vastly important measures that have been enacted into law by the present congress with very little more debate than has marked sessions in other years when questions of much less moment were up for consideration. The writer also gives food for thought in the suggestion that the country would be far better off, in this instance, if there had been more debate and less action of a kind. Altogether the letter presents a matter well worth the consideration of thoughtful Americans.

TO THE FARMER,
THE UNCROWNED KING.

The farmer knows what his hands can do
When his will is steady and strong,
And he never doubts but pushes thru

While he whistles his favorite song.
Before the sun has mounted the sky,
Like the lark he is up and away,
For his miles of fields before him lie
To be tilled ere the close of the day
His tools are sharp and the very best

And the latest the market gives,
For well he knows in his honest breast,
By progression the farmer lives;
He is able to ride in the finest style,
Use the newest inventions in line
But his pride is in his registered file,
Of horses and cattle and swine.

With a trusting heart he sows his fields,
With the choicest seed that's grown,
Nor anxious fears for the season's yields
For he knows he shall reap his own.
Then he stores away his corn and wheat,
In the bins he has prepared,
And he gives to each his measure mete,
For the toil in which he shared.

When the garnering days of summer are fled,
There knocks at his ready door,
A hungry world that is seeking bread,
And he gives of his bountiful store.
For the waiting mouths must be filled,
Or they clamor and clamor again,
And the cries of the children be still'd

Or the work of the world is vain.
The painter, the poet, the sage,
The builder, the buyer, and all
No matter in what they engage,
Are a part of the hungry who call,
And kings of oil, silver, and lead,
With their kingdoms and outfits complete,
Must bow to this raiser of bread
And doff with their crowns as his feet.

So the farmer pushes away,
And shirks not his work nor the toil,
But he proves to the world he is here to stay.
This uncrowned king of the soil.

FRANK MADDOX SOON
TO GO TO FRANCE

Jacksonville Young Men Now With
Cavalry Troop in Camp at Forrest,
Arizona.

Frank Maddox is now with the U. S. troops in Arizona. He is expecting soon to be sent with the army to France. A recent letter from the young soldier to his mother is as follows:

Troop L. 17th Cav.,
Forrest, Ariz., June 2, 1917.
My dear mother:

As I have not received any answer from you last letter, I am writing to you again just to let you know that I have moved again and am in Arizona now.

I will not be here very long as I am going to the artillery field. And then to the 6th field which is going to France.

Mother dear, a Maddox is going with them. Do not worry about me, mother dear, as it will not be long until Germany is done for. If I should be killed I will go to our Maker and meet you there. And you will not be ashamed to speak my name in public, as some poor mothers and fathers are. And I know that you will not be afraid for me to go as I think it will be a great honor to think that your son was one of the first to go to the front of war, where so many mothers, fathers, sisters and sweethearts are mourning for their lost ones.

Please be brave mother, and let me serve my country and be true to my dear flag that I love so well. I am not sorry that I have but one life to give to my flag.

Well, mother, I must close as I have three more letters to write.
Your loving son,
Frank Maddox.

HAD EXCITING TRIP

John R. Robertson received a telegram yesterday announcing the safe arrival at Colorado Springs, Colo., of his son, John Robert Robertson and chauffeur Eldridge Seibert.

They left Jacksonville a week ago yesterday in Mr. Robertson's car and stopped in Hannibal, Mo., Saturday evening. Lots of rain and several storms were encountered on the way. They narrowly escaped running into the cyclone that swept Kansas last week and altogether the journey was an exciting one.

The journey overland is over 1,200 miles and the trip was made in good time despite the bad roads and rain, as they arrived in Colorado Springs Friday. They will remain for the summer, Mr. Robertson having taken Mrs. Robertson and her mother, Mrs. Pierson, to Colorado several days ago.

OFFICERS CHOSEN FOR YEAR

Good attendance marked the business session of the Alumnae Association of Jacksonville Female Academy, the Young Ladies' Atheneum and Illinois Conservatory of music in Academy hall Saturday evening.

The meeting was held at 7:15 o'clock preceding the address of the Hon. Hugh S. Magill. The regular election of officers was held and Miss Mary Alexander presented a report of the work the girls of Illinois college have been doing in collecting funds for the Woman's building to be erected on the college campus. The officers are:

President—Mrs. A. B. Williamson.
Vice President—Mrs. T. P. Carter.
Secretary—Miss Mabel Potts.
Treasurer—Miss Lorine Deweese.

WILL RETURN TO ST. LOUIS TODAY

Mrs. M. E. Casteen, Mr. and Mrs. W. H. Casteen and Mr. and Mrs. E. J. Ordwein went to Versailles Thursday with the remains of Miss Lulu Casteen, whose death occurred in St. Louis Tuesday night. After the funeral they came to Jacksonville for a brief visit with Mrs. R. E. Fisher, west of the city, and will return to their homes in St. Louis today.

ENTERTAINED RELATIVES

Mrs. Charlotte Purdy of El Dorado, Mrs. Eva Conscience of Thompson, Mo., Mrs. J. A. McClure of Virginia and Mrs. E. R. Murphy of Brainerd, Minn. were guests the past week of Mr. and Mrs. I. M. Bunce.

Rippling Rhymes
By WALT MASON

The Auto Owner

An auto is the one best bet, if you're entirely out of debt, if you have money tucked away, providing for the rainy day. But if you're mortgaging your home, that you in pomp and state may roam, and it in roaring thus you burn your roubles, fast as you can earn, your auto is a Jonah cart, and some day it will break your heart. An auto is a precious boon, the smoothest thing beneath the moon, if you, as down the street you lie, can look the grocer in the eye, and say, "within your soul, 'I haven't put him in the hole.' An auto is the thing for you, if, when the butcher looms in view, you know you are not owing coin for liverwurst and tenderloin. An auto is a blessed thing, all kinds of comfort it will bring, if you're not dodging the gaolers who sell you clothes and lids and boots, if you can say in ringing tones, 'I owe no plunks or bucks or bones, and I've a package of long green to blow for oil and gasoline.' If you can't put up such a talk, don't own a car—you'd better walk.

MURRAYVILLE LAD
SUFFERS FRACTURED LEG

Jesse A. Rimbey Met Serious Injury When He Was Caught in Elevator Shaft.

Jesse Allen Rimbey, 15 years old, son of Brewer Rimbey of Murrayville sustained a fracture of his right leg just below the hip Saturday afternoon about 3 o'clock by getting caught in a shaft at the Murrayville elevator. Dr. J. H. Spencer brought the injured boy to Passavant hospital where he was attended by Dr. F. A. Norris.

Examination revealed a bad fracture of the bone. The bone was twisted off and it is probable that the fracture will have to be held with metal splints before it will knit.

According to the story told by boys who were with the Rimbey boy at the time of the accident he was playing around the shaft which runs from the engine room to the elevator.

Rimbey had on an overcoat and he was showing the boys how he could let the coat wind around the shaft and then get away. He apparently let it wind too far and was drawn to the shaft. Before it could be stopped all the boy's clothing was torn off. In addition to the fractured leg he received several bruises about the body.

DR. HOWARD BROWN GOES
TO ROCKEFELLER INSTITUTE

Dr. J. Howard Brown, bacteriologist, for several years an instructor and engaged in research work in the Harvard medical school in Boston, Mass., has been called to a position in the Rockefeller Institute. His immediate work is to take charge of the making of "Anti-pneumonia serum," of which there will be a large amount needed by the army and navy next winter. Since it is a new product only the Rockefeller Institute is prepared to produce it successfully.

The work will be done in Princeton, N.J., where Dr. Brown will make his home. Capable assistants will be employed and other work of like nature will be done in this department. The position is offered as a permanent one and he will take charge about July 1.

Dr. Brown is the son of Mr. and Mrs. W. T. Brown of this city, a graduate of the high school and of Illinois college, later specializing at Champaign university and from there going to the Harvard medical school.

ALTON PUTS NEW
RATE INTO EFFECT

D. C. Diltz local agent of the Chicago & Alton railroad received notice from George J. Charlton, General Passenger Traffic Manager Saturday to put into effect the 2.4 cents per mile rate at midnight last night. This will pry the passenger loose from a five dollar bill and eighteen cents additional when he wants to go to Chicago. The former rate was \$4.32. It is probable that other roads will soon adopt the new rate.

WEST SIDE ART CLUB MEETS

Members of the West Side Ladies' Art Club were entertained Friday afternoon by Mrs. Spencer and Mrs. Tate at the home of the former. A pleasing program was rendered in the course of the afternoon and refreshments were served. The next meeting of the club will be June 22 with Mrs. Vires and Mrs. Timberlake.

NEWLYWEDS HERE
Mr. and Mrs. Lawrence Goveia arrived in the city Friday evening from Champaign where Mr. Goveia has been attending Illinois University. He completed his examinations Thursday and they left in Mr. Goveia's car Friday arriving just before the storm broke. They encountered bad roads on the journey and had to detour several times to avoid washouts.

HINDERED BY HIGH WATER.
J. B. Corrington and son Porter went fishing in the vicinity of Bath and while they were there the levee broke at a place causing eight feet of water in the road which they traveled over getting there from north of Alexander. At Petersburg there was water over the streets of a good part of the place and some persons had to leave their homes in boats. Mr. Corrington and his son were obliged to return by way of Mason City, Tallula and other devious ways.

NEEDS ATTENTION.
A bad place in the road just north of the big mill at Big Sandy creek, four miles south of town, hinders travel badly. The road commissioners are trying to put in a culvert and the rain fills in the excavations as fast as they are made.

CHILDREN'S DAY PROGRAMS
Children's day exercises will take place at Central Christian church this morning at 10:30 o'clock. The program is out of the ordinary and promises to be one of great interest. The Children's day program at Brooklyn church will be given this evening at 7:30. The committee in charge has made ample preparation for the occasion.

TAX SALE POSTPONED.
The tax sale of property in Morgan county returned as delinquent was scheduled for Monday but has been postponed for one week. This change was made because certain objections filed have not thus far been given a court hearing.

RICHARDS CONDITION SATISFACTORY
The condition of Clarence Richards who was severely cut Thursday night was considered satisfactory yesterday. Dr. Norris who is attending him says it is not known yet whether or not the stab in the abdomen penetrated the intestines. If it did his recovery will be a matter of grave doubt.

RETURN FROM QUINCY

WILLIAM STRANTON FELL BENEATH LOADED WAGON

Young Man Suffered Severe Injuries—X-Ray Examination Revealed Fracture in Three Places.

William Stranton sustained severe injuries Friday evening when he fell beneath the wheels of a heavily loaded junk wagon both wheels running over him. Stranton is 16 years old and resides in Hurd street. He is employed by Randolph Looker and Friday he had been in the country after junk. On his return he was walking beside the moving wagon. About a mile northeast of the city limits he attempted to get on the wagon without stopping the team and missed. His foot and hand fell under the wheels. He was brought to Passavant hospital and Dr. F. A. Norris was called. It was impossible to ascertain the extent of his injuries Friday night. He was suffering greatly, however, and Saturday an X-ray examination revealed that the pelvis bone was fractured in three places. The fracture is a serious one and will require an operation to remedy. Dr. Norris considers his condition as serious but holds out the hope that he will recover unless other complications develop.

D. A. R. PLANS FLAG DAY CELEBRATION

Members of the Rev. James Caldwell chapter D. A. R. will celebrate Flag day, June 14, by sewing for the Red Cross. Material has been purchased to make a Red Cross flag for the local headquarters in the McFarlane building and the daughters will also make pajamas for the soldiers. The meeting will be held at the home of Mrs. Miller Weir Thursday at 2 o'clock.

It has been the custom of our local chapter to have a picnic supper on Flag day, but this year the members felt that they preferred to devote the money usually expended thus to patriotic purposes alone. Each member therefore has been asked to donate her share toward buying material and spend the afternoon in sewing and the plan has met with enthusiastic and hearty support.

MEETING OF FOURTH CELEBRATION COMMITTEE
The executive committee of the Fourth of July celebration organization are to meet Monday morning at 9 at the Ayers National bank for consultation regarding the work in hand.

GAVE ADDRESS ON CENTENNIAL PLANS

Members of the alumnae association of the Jacksonville Female Academy, the Athenaeum, Illinois College Conservatory of Music, following their business session Saturday evening listened to an address by Senator Hugh S. Magill, member of the Illinois centennial commission. This address was given in the speaker's characteristically eloquent and forceful way. The story of the state's development was traced and some facts about the centennial plans were outlined. A summary of Senator Magill's address will be presented at a later date.

The young lady arrived early Thursday morning, weighs eight and a half pounds and has been named Hazel Roberta. Hazel Roberta is the fourth child, there now being two girls and two boys.

KING GEORGE SENDS MESSAGE TO HAIG

LONDON, June 9.—It was officially announced today that King George has sent to Field Marshal Sir Douglas Haig, commander in chief of the British forces in France and Belgium, the following message:

"We rejoice that thanks to the thorough preparation and splendid co-operation of all arms the important Messines ridge which has been the scene of so many memorable struggles again is in our hands."

"Tell General Plumer and the second army how proud we are of this achievement by which in a few hours the enemy was driven out of strongly entrenched positions which had been held by him for two and a half years."

FRANCE WILL REQUIRE LARGE SUM AFTER WAR

To Meet Obligations and Current Expenditures, Including Interest On National Debt Existing Before The War—Adoption of Graduated Income Tax Urged.

Paris, June.—(Correspondence of the Associated Press)—France will require 11,600,000,000 francs a year, approximately, to meet her obligations and current expenditures after the war, according to an estimate of the Finance Committee of the Chamber of Deputies. Of this total, it is estimated that nearly half, 5,500,000,000 francs, will be needed for normal appropriations including interest on the national debt existing before the war, which was about 33,000,000,000 francs.

The remainder includes interest on national defense bonds, pensions, interest on 10,000,000,000 francs capital required to repair war damages, and to finance social legislation, such as a workmen's pension system.

This total represents only the financial charges incurred June 1, 1917. It will be necessary to add to it 150,000,000 francs for each month that the war goes on thereafter, the war expenditures now averaging 3,000,000,000 francs a month.

Thirty five months of war at the end of June will have cost about 87,000,000,000 francs including advances to allies. During the same time the government receipts have averaged 4,128,000,000 francs a year.

The finance committee urges the adoption of the graduated income tax as one of the measures to provide it revenue France will need. It is estimated that it will produce a net gain of about 366,000,000 francs a year.

In addition the finance committee proposes an annual civic individual tax of three francs upon all taxpayers residing in communes of less than 10,000 population, six francs in communes between 10,000 and 50,000, and nine francs in towns of more than 50,000 population. This tax it is estimated, will produce 42,000,000 francs a year.

Long Imprisonment for Airman.

London, June.—Not until he appeared before the King the other day to be decorated with the Distinguished Service Order did it become known to the public that Squadron Commander Edward P. Briggs, the first British airman to attack a Zeppelin base, and who was taken prisoner, had escaped from Germany. Briggs was captured in an attack on a Zeppelin factory at Friedrichshafen in November, 1914.

Commander Briggs, with four other British officers, was being transferred from a prison camp in Bavaria, when they made their bolt for liberty. Darkness was coming on when their train neared the spot where they were to be re-interred. Bolting from their guards the four men jumped out of the railway coach and for two days and nights made their way over ploughed fields to the Dutch frontier. They were without food and suffered greatly from thirst.

Briggs had been a prisoner for 29 months. The decoration was made for his daring raid.

Squatters' Rights Suspended.

Mexico City, June.—Acquisition of title to land thru so-called "squatters' rights" has been suspended in Mexico by a decree of the President. Formerly, those who had lived 25 years on a piece of land peacefully and without protest might acquire legal title from the government at the end of that time. Under the new decree all such titles will be held in abeyance until congress shall have framed an organic law putting into effect the article of the new constitution which deals with public lands and land title. In the meantime squatters will not be molested on the lands but titles will not be issued to those whose 25 years has expired until the law is framed.

Must Prepare for Re-adjustment.

Tokio, June.—"The restoration of peace, which may come at any moment, will radically affect Japan's economic status. Japan must prepare now by readjusting every department of her economic life." These are the essentials of a speech, which K. Shoda, Minister of Finance, delivered at an annual meeting of the chiefs of the taxation bureaus.

Mr. Shoda said the government was studying the question of reforming the system of taxation, the idea being to mature the resources of the country and make the nation proof against all ill effects of the after-war shocks in the business world.

FARM NOTES

CATTLE AND FARM ACREAGE.

After quite a correspondence with all the railroads operating in the county, I have determined the number of cars of farm animals that have been shipped into and out of our twenty-six freight stations. One hundred and forty-nine cars came in and 927 went out, so that the net output of the county was 788 cars. Of these 328 were hogs, 157 cattle, 173 mixed hogs and cattle, 35 sheep and 95 horses. The 693 cars of meat animals are estimated at 23,870 hogs, 4,870 cattle and 4,200 sheep, or a total of 33,940 head of meat animals, not including 1,900 horses.

980 Acres Provides One Car.

In other words, it required 980 acres of Champaign county land to export one car of meat animals to market, and 6,400 acres to ship out a car of horses. The joint effort of six farms was required to ship out a car of meat animals, or in other words, nine meat animals per farm. Only one meat animal from every 17 acres; only one hog from 25 acres, or 6 2-3 hogs per average farm of 161 acres. The average farm in the state of Illinois has 16 hogs; in Iowa the average is 55 hogs per farm.

Harris Farm Has 25 Times More.

By way of comparison, 11 per cent of all the meat animals shipped out of the county in 1916 came from two of my farms, which showed an output of 1 1/2 meat animals per acre, or 25 times more than the county average. In net output of hogs Mahomet leads with 45 cars, Tolono follows with 36, Homer 32, Fisher, Ivesdale and St. Joseph 18, Seymour 13, Cattle shipments: Champaign 28, Dillsburg 17, Seymour 14, and Homer, Levertt, Ludlow and Rantoul with 11 cars. In sheep, Dillsburg leads with 10 and Mahomet has 5 cars with a few others of 3 cars.

In mixed cars of steers, cows, calves and hogs, Fischer's net output was 41, St. Joseph 35, Dewey 26 and Tolono 21 cars. Champaign led with 47 cars of horses, St. Joseph shipping 12, Ogden 9 and Ludlow and Rantoul each 6 cars.

Meat Worth Only 5 Per Cent of Grain

Eighty-five per cent of the nation's corn crop is fed on the farms, but this greatest of counties is raising probably 20 million bushels of grain and shipping meat animals worth only about one-twentieth that sum; this county that raised more than one-half of all the corn that was exported from the U. S. in the last three years before the war; this county with 667,520 acres, 91.1 per cent of which is divided into 3,757 farms of an average of 161.9 acres each, of which 58.1 percent is improved, the average farm valued by the 1910 census at \$32,822.

There never was a time when there was more profit in live stock than in these war years.

Silo Will Add 20 Acres To Farm.

It is not practical for every farm to have a silo, neither is it desirable that all the corn on the farm should go into the silo, but there are hundreds of farms in this county where a silo will more than pay for itself at present prices of feed every year. A silo will add about 20 acres in the feeding capacity of a farm. We suggest every farmer build a silo where conditions will permit this year.

Can Add a Million Dollars.

We must have milk cows, and they should be of the kind that give enough milk to pay for their feed and their yearling calf of beef type, well cared for, would sell now at from \$80 to \$125. Every farmer can raise two litters of pigs from a good bunch of sows, and have a little flock of sheep to clean up the farm and make more manure and profit with very little extra labor.

The slogan of "Ten More meat animals from every Champaign county farm" would mean upwards of a million dollars more net income. Are you going to help feed your soil and raise meat for the world?

CONSERVATORY NOTES

The Conservatory year closed on Saturday, and will re-open September 19. Mrs. Wilson will remain for a short time in Jacksonville, but expects to be in Chicago most of the summer. Mrs. Bullard will be at home until sometime in July, her further plans being undecided. Mr. Kitch will visit with Mr. Munger at the Munger home in Xenia, Ohio, early in the summer, probably making a trip west in July. Mr. Munger will be at his home in Xenia, thru most of the vacation. Miss Duncan will divide her time between Mr. Sterling and Jacksonville, and Miss Butler plans to remain here. Mr. Cochran stays in Jacksonville. Mr. Beebe will be in Springfield. All of the faculty will return next year. The enrollment of the Conservatory thru the past year has been the largest in its history since Mr. Kitch became director.

The music for the baccalaureate service, to be held in the Congregational Church today will be in charge of Mr. Genevieve Clark Wilson, a number of whose pupils will sing.

The recital of advanced students given last Wednesday evening, was most successful and very well attended. The following students took part: Florence Cox, William Dows, Laura Smith, Fern Haigh, Beatrice Dye, Virginia Bullard, Helen Frazier, Helen Kennedy, Dudley Hittie, Mary Alexander and Martha Priest.

A students' recital was given on Thursday afternoon, at which the following program was performed: The Chase (piano).....Prinl Donald Roberts.

Melodie (violin).....Tours Wilbur Reed.
The White Rose (piano).....Jensen Mabel Pelhank.
Andante (violin).....Dancela James Yates.
Cabaletta (piano).....Lack Sarah Russell.
Out on the Deep (voice).....Loehr Werner Onken.

Berceuse (piano).....Greig Etude Fantastique.....Prinl Isabelle Fox.
Gavotte (violin).....Dancela Dovey Corington.
Three Songs of Farewell (voice).....Allen Lorine Dewese.
Evening Song (piano).....Goldsmith Catherine Hayden.
Two Melodies (violin).....Tours John Russell.

May Song (violin).....Vogt Scott Hathman.
Entrance of the Maidens (piano).....Martinez Elmer Nickel.
Berceuse (violin).....Tschetchulin Isabelle Fox.

Andante (two pianos).....Chaminade Beatrice Dye. Mr. Munger.

Last Monday afternoon at the Teachers' Institute Meeting Miss Marguerite Butler sang some solos with Miss Ruth Duncan as accompanist. On Thursday afternoon Mr. Dean Cochran played some violin solos, also to Miss Duncan's accompaniment.

Miss Minnie Hoffman will visit in Colorado during the summer.

WILLIAM KITNER WITH MEDICAL DETACHMENT

Friends in the city have been advised that William Kitner, who enlisted some months ago for army service has been transferred from the engineer corps to the "medical detachment" of the Second Engineer corps.

Following his enlistment the young man was assigned to "B" company of the Second Engineer corps and was made clerk in the company supply office.

Subsequently he accepted the position of clerk in the office of the first sergeant of the El Paso medical division, having charge of the health of the men in the second and fifth regiments of engineers at Camp Baker.

In this office are kept the sick lists, hospital lists and various other data having to do with the health of the men. It is also the duty of those in charge of this office to keep all records of vaccinations for typhoid and similar diseases. The work involves a considerable amount of detail and is of importance to the well being of the enlisted men.

STILL UNDER BOND

During the past week since indictments against Dr. Ulysses Day were quashed by Judge Jones, who upheld the contention of the physician's attorneys, there have been stories in circulation that the case was ended. The facts are, as mentioned in the court record at that time that Judge Jones did not release the defendant and he is still under bond to await the action of the grand jury at the November term of court. At that time State's Attorney Robinson will undoubtedly seek to have a new indictment returned against the defendant.

REV. PERCY EPLER TO MAKE VESPER SERVICE ADDRESS

The Rev. Percy H. Epler, pastor of the First Congregational church, Indianapolis, who is here to attend the 25th anniversary reunion of his class at Illinois college, is to speak at the vesper service on the college campus this evening. His theme will be "The Christ-likeness of our Sons who Bore the Strong Arm of Mercy in the American Red Cross at the Front." This is to be a union service of the congregations of State Street, Westminster and Congregational churches.

Rev. Mr. Epler has been connected with many recent important Red Cross movements and is well known as the author of the authoritative "Life of Clara Barton," founder of the society. He has but recently returned from Massachusetts, where he was called to deliver a number of addresses in the interest of Red Cross work, and also attended the Red Cross war council which was held in Washington within recent days. Mr. Epler was accompanied here by his wife and family.

BAD FIVE DOLLAR BILLS

Local merchants are asked to closely scrutinize all \$5 bills they receive at the present time. In the past week two \$1 bills have been passed for \$5 bills. One was passed by a stranger on Gunn the grocer. Mr. Gunn discovered the counterfeit and overhauled the man at the Wash station and got his money back. The other was passed by a woman, probably, at the store of C. J. Deppe & Company. This bill went to the bank and was returned. The bill is raised by pasting a figure 3 over the one in the right hand corner of the bill and looks good at casual glance. Chief Davis has one of the bills and hopes to apprehend the parties who are passing them unless it has been done by transients.

The baby brick is a full pint package, the biggest food value you can buy, and the cost is only 20c. Take one home today from Merrigan's.

In the estate of Susan Rees, the inventory was approved.

In the estate of Harriet Davis, final report was approved and the estate declared closed.

In the guardianship of Helena, Walter, Edwin and Arthur Steving, report was approved.

In the estate of Byron S. Gailley, an order was made for the production of the will. Edward W. Brown, administrator of the estate, by his attorney, W. T. Wilson, asked leave to file objections and the hearing will be had Monday, June 18. The application for the production of the will was filed by Bellatti, Bellatti & Moriarty as attorneys for Eugene Gailley.

In the estate of Susan E. F. Barnes, the motion for discharge of the executor was allowed and the estate declared closed.

"JEFFERY SIX" UNDERPRICED

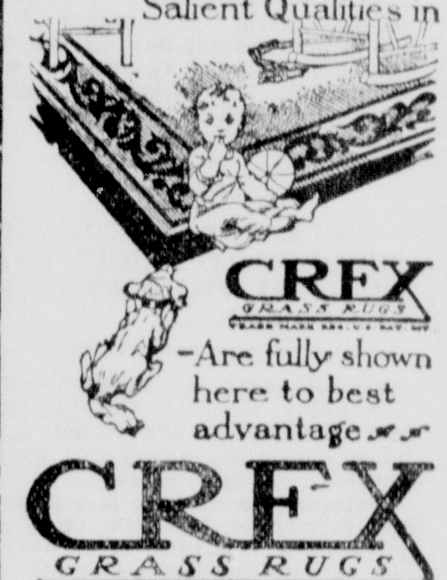

Our present low price on this car is due only to the fact that the present stock of raw materials were purchased over a year ago. The truth of the matter is that the Jeffery Six was underpriced in 1916 when the present price of \$1,165 was fixed. Now with forty-five manufacturers who have made advances, and in the face of raises which must inevitably follow in the near future, the Jeffery Six represents value that cannot be secured under \$1,700. MASONS TO CELEBRATE SEMI-CENTENNIAL

Jacksonville Lodge Will Appropriately Observe Anniversary Tuesday Evening.

The officers and members of Jacksonville lodge, No. 570, A. F. & A. Masons, are making great preparations to celebrate the fiftieth anniversary of the granting of the charter to organize the lodge. The body is fortunate in having as the city J. H. Hackett, the man who initiated the movement was at one time master of the lodge. T. J. Bronson was also connected with the lodge in its early story and both will be honored during the celebration.

Beginning at 3:30 p. m. Tuesday there is to be work, the degrees being conferred by past masters of the lodge. It is the intention to finish the work by 7:30, when ladies will be admitted to refreshments and a program which cannot fail to be of interest. Automobiles are to be sent for the ladies when requested.

Among the early masters of the lodge are S. M. Martin, Stephen Henry Thompson and others who will be well remembered by Masons who were living here at that time.

Just received a new line of Milans and White Hats. All the latest shapes at lowest possible prices. L. C. & R. E. Henry, the opera house milliners.

A Patriotic Action.
The Columbia Life Insurance company instructed its local agents, Messrs. Strawn & Spink, to spend an hour a day till June 15, and all that day, in aiding the sale of liberty bonds.

MAXWELL OWNERS CAN WIN LIBERTY BONDS

In the economy test which the Maxwell automobile company put on recently 2,000 Maxwell cars averaged about thirty miles per gallon of gasoline. To prove this the Maxwell company has purchased \$50,000 worth of Liberty bonds to be given away in a Maxwell car owner contest between June 16 and 25. Those will be awarded to dealers and owners.

The 500 owners who make the best mileage on one gallon of gasoline during the period mentioned are to be awarded \$25,000 in Liberty bonds. The other \$25,000 bonds will be awarded the Maxwell dealers who make the best sales showing as a result of this contest. The owners contest is open to both men and women drivers and some of the particulars of this very interesting contest appear in the Maxwell advertisement over the name of Kennedy Bros., the local dealers, on another page of this paper.

MR. SCHRAM TO HOLD CLOSING OUT SALE

Well Known Jeweler Will Dispose of High Class Stock at Auction Sales.

People of Jacksonville and the surrounding territory will be greatly surprised to read on another page announcement of the closing out sale of Schram's jewelry store. Because of various periods of ill health Mr. Schram recently decided to dispose of his entire stock. To do this quickly the goods will be offered at auction, the sale to begin next Thursday, June 14, at 2:30 o'clock. A sale will be held at 2:30 and 7:30 p. m. each day thereafter until the stock has been sold.

Mr. Schram came to Jacksonville in 1892, first serving as an employee in the Stebbins jewelry store. Subsequently he established a store on his own account and it has grown steadily thru the years. Schram's store has long held high prestige in the jewelry trade and every article carried has been known of absolutely dependable worth. This fact will have much to do with the success of the sale and it is naturally anticipated that the people from trade territory contiguous to Jacksonville will be vastly interested in this opportunity of buying diamonds, watches and jewelry of known and dependable value at their own price.

Briggs & Reid, jewelry auctioneers of national reputation, will be here to conduct the sale. Mr. Schram is advertising his residence property for sale and the possibility that he will leave Jacksonville will be read with regret by his large circle of personal and business friends.

UNION Y. P. S. C. E. TONIGHT AT GRACE

Attention is again called to the union Y. P. S. C. E. meeting to be held this evening at 6:15 at Grace M. E. church. A program of religious and present day interest has been provided and the session will undoubtedly be largely attended. Members of each society are expected to come in a body and the committee asks that the pastors of the churches accompany the delegations.

WOOL COATS AND SUITS REDUCED TO PRICES THAT WILL SELL THEM AT SIGHT AT HERMAN'S.

THERE AIN'T NO SUCH THING
Saturday morning Harold Johnson, manager of the Grand opera house advertised a one reel picture entitled, "Honest Thieves."

Saturday about noon just to prove the fallacy of the title some one pried open the little steel door of the money compartment under the ticket window in the box office and abstracted \$2 in cash and a revolver. Now Harold says, "There ain't no such thing" as an honest thief and is thinking of canceling the picture. The theft occurred while Mr. Johnson was rehearsing with the orchestra. He left the box office door open as there were people going in and out of the theater and he expected Miss Ruth Brown the treasurer to arrive at any minute. When she arrived the safe door had been forced.

The door had a good lock and the burglar had pushed the lock off on the inside. Mr. Johnson always kept \$5 in change in the safe. Two dollars in dimes and one dollar in nickels were wrapped in paper and evidently the thief did not know what the packages contained as he took \$1.25 in quarters and 75 cents in nickels. The matter was reported to the police and a party is under suspicion who had been loitering about the theater during the morning.

AN UNUSUAL RECORD
Mr. and Mrs. Ralph Green of 724 East North street are the parents of a son, born Thursday, June 7. This child has the rather unusual distinction of having seven living ancestors. On the father's side there is a great grandfather, Thomas Lovett, of Carrollton, and two grandfathers, Mr. and Mrs. W. W. Green of 718 North Main street. On the maternal side there is a great grandmother, Mrs. Ann Hayden of Beesley avenue, this city, and a grandfather, William Hayden of Court street.

STATE CONVENTION OF EAGLES THIS WEEK

Jacksonville Delegates Will Leave For Bloomington Tomorrow.

Frank U. Correa, junior past worthy state president, and Michael McGinnis and Fred W. Dohrt, delegates from Jacksonville Aerie No. 509, will leave tomorrow for Bloomington to attend the eleventh annual state convention of the order.

Bloomington has made elaborate preparations for the entertainment of delegates and every day outside of business sessions will be filled with entertainment.

The convention will open Tuesday morning with an address of welcome by Mayor E. E. Jones. The response will be by E. E. Morrissey, postmaster of Bloomington, and one of the main organizers of Bloomington aerie.

A big parade will be given Tuesday evening headed by the Bloomington band of forty pieces. Prizes will be offered for the best band and every band of twenty or more pieces will receive a prize. A prize also will be awarded the aerie having the largest delegation. On Wednesday evening Bloomington has provided a big vaudeville entertainment for the visitors.

Special Demonstration and Sale of NEPONSET Floor Covering

FRIDAY and SATURDAY
June 15 and 16.

During Demonstration, Which is in Charge of Factory Experts, We Offer

Neponset Floor Covering at the Special Price of

50c Square Yard

A dull, depressing room is made warm and inviting the moment its floor is covered with Neponset Floor Covering. Grease won't soak in and spread. Refreshing to the eye and highly sanitary.

Thick and tough. Wonderfully resilient to the step. Easy to keep clean. Enduring. Lies flat without tacking.

Artistic color designs specially suitable for kitchen, bed-room, bath-room, play-room, porch, sewing-room, halls and closets. Makes a neglected room look like new. Come in and examine our many new designs today.

Every housewife who is interested in knowing about a floor covering that is durable, economical and really waterproof, will want to attend this special demonstration of Neponset Floor Covering, Friday and Saturday of this week, during which time special representatives from the factory will explain the superior points of this wonderful new floor covering.

By special arrangement we are enabled to sell Neponset Floor Covering during these three demonstration days at the very special price of 50c per sq. yd.

If you're in need of a good, durable covering for the kitchen or bath room floor, you should not fail to take advantage of this special offer to buy Neponset so economically.

Whether you need it today or not, come in and see how Neponset is made; how it resists water and moisture; how resistant it is; how flat it lies on the floor without tacking and not curling up at the edges; how many attractive patterns it comes in.

Storekeepers, factory superintendent and others are especially invited to consult with Neponset representatives on any problems which confront them.

Morgan County Army Registration List Shows More Than 2,300 Names

The work of compiling the names of men who registered last Tuesday has been completed by County Clerk C. A. Boruff and his assistants. The task of summarizing the returns from all the precincts and making duplicates of every card has been arduous, but the rule in the county clerk's office of putting work through as rapidly as possible has been followed in this case.

Two copies of the entire list have been posted in the office of the clerk so that the public may have access to them, and in accordance with law lists have been furnished the newspapers with request that they be published. The law further requires that a list of persons registered in each district shall be posted near the polling place in that district.

This requirement of the law has also been complied with, a copy of names listed from each precinct having been sent to the registrar in that precinct for the purpose of posting.

Some further work awaits the registration board and very soon the government is expected to issue instructions covering the duties of exemption boards. The announcement was made from Springfield recently that Miller Weir and W. N. Hargrove have been named on the Morgan county exemption board and the naming of the medical member of the board is expected at an early date.

The names of men registered are published below:

Blue serge week

WHEN, as you come out of a morning, the sunshine filters thru a soft, thin mist and you feel as you go to the office that you're cheating yourself out of a day of early summer that you never, never can get back,—

IT'S time for a blue serge suit.

WE have learned to recognize this feeling because it comes to so many men each year.

SO, just at this time, we specialize on blue serges—give them the full run of our store. Here you'll find the biggest, finest collection of blue serges in town. SOME heavier—some lighter; some darker—some brighter. But every one a

SCHUPP HOLDS CUBS TO
THREE SCATTERED HITS

Giants Blank Chicago 4 to 0 in First
Game of Series—Reds Defeat
Pirates

Chicago, June 9—Schupp held
Chicago to three scattered hits to-
day and New York shut out Chi-
cago 4 to 0 in the first game of the
series. Demaree's wildness in the
fourth inning when he walked two
men followed by a triple by Robert-
son gave the visitors a two run lead
which the locals were unable to over-
come.

Manager McGraw who attacked
Umpire Byron after the game yester-
day at Cincinnati, and drew an
indefinite suspension today, was not
present at the game.

Score: R. H. E.
New York . . . 000 200 020—4 5 1
Chicago . . . 000 000 000—0 3 0
Batteries—Schupp and Rariden;
Demaree, Prendergast and Elliott.

Cincinnati 2; Brooklyn 1.
Cincinnati, O., June 9—By bunc-
ing three of their five hits in the
third inning Cincinnati took the op-
ening game of the series from
Brooklyn here today 2 to 1.

An accident to Schneider who was
hit by a batted ball in the ninth
threw gloom over the large crowd.
Schneider who had pitched great up
to this time was carried off the field.
The game was played in one hour
and fifteen minutes.

Score: R. H. E.
Brooklyn . . . 001 000 000—1 7 0
Cincinnati . . . 002 000 000—2 5 0

SOX TAKE LEAD IN
AMERICAN LEAGUE RACE

Chicago Defeats Washington While
Boston Loses to Detroit—Athlet-
ics Down Browns—Naps Win
From Yanks.

Washington, June 9—Chicago
went into the lead in the American
league race today by defeating
Washington 5 to 4 while Boston was
losing to Detroit.

Score: R. H. E.
Chicago . . . 121 100 000—5 11 0
Washington . . . 009 100 001—4 10 0
Scott, Danforth and Lynn; Har-
per, Gallia, Shaw and Ainsmith.

Detroit 1; Boston 0.
Boston, June 9—Detroit cleaned
up the series with Boston today by
winning 1 to 0, and incidentally
knocked Boston from first place in
the standing. Boston could not hit
Ebmke when hits were needed, hav-
ing eleven men left on bases. Dou-
ble plays by Bush and Young, and a
remarkable throw by Cobb to the
plate in the fifth inning stopped
Hooper from scoring on Hohlitzell's
single. The score:

Score: R. H. E.
Detroit . . . 000 000 010—1 7 0
Boston . . . 000 000 000—0 9 1
Batteries—Ebmke and Stange;
Spencer, Shore and Cady.

Philadelphia 2; St. Louis 1.
Philadelphia, June 9—Philadel-
phia defeated St. Louis here today 2
to 1 in a pitchers' battle between R.
Johnson and Groom. The game was
won in the eighth inning when
Bates scored on his single and Mc-
Linn's triple.

Score: R. H. E.
St. Louis . . . 100 000 000—1 6 1
Philadelphia . . . 001 000 010—2 7 2
Batteries—Groom and Severeid;
R. Johnson and Schang.

Cleveland 2; New York 0.
New York, June 9—New York
made only five hits off Coveleskie
here today and Cleveland won the
deciding game of the series 2 to 0.
It was Coveleskie's second shutout
against the Yankees this season.

Harris, once discarded by New York
drove in Chapman with both Cleve-
land runs, with a sacrifice fly in the
second inning and a double in the
seventh.

CHICAGO WINS TRACK
AND FIELD CHAMPIONSHIP

CHICAGO, June 9—Piling up 54
1-2 points, the University of Chicago
team triumphed over seventeen other
universities and colleges in win-
ning the seventeenth annual track
and field championship of the west-
ern intercollegiate conference today.
The University of Illinois, which
scored in every event except one,
was second with 41 1-2 points and
the University of Missouri, thru the
 prowess of Robert Simpson, the
world's champion hurdler scored 24
points for third place.

BOOTS WINS HISTORIC
SUBURBAN HANDICAP

NEW YORK, June 9—With the
weather and track conditions as if
made to order a great crowd wit-
nessed the thirty first running of
the historic Suburban Handicap at
one mile and a quarter over the Bel-
mont Park race course today. A.
K. McComber's six year old gelding
Boots, by Hessian-Little Flower, car-
rying 122 pounds and piloted by
Jockey Loftus, was the winner, three
quarters of a length in front of H.
P. Whitney's aged gelding Borrow,
which finished second, half a length
ahead of the favorite, The Finn,
owned by H. C. Hallenbeck. The
race was worth \$4,900 to the win-
ner.

Nine horses started the winner
and Ed Crump being coupled as the
A. K. McComber entry, always a
strongly supported second choice in
the wagering. Starter Cassidy sent
them all away to a good break and
at the first quarter pole Airman,
Stromboli, Boots, Chicklet and Spui
were bunched, one heads apart.

WHITE BESTS TILLMAN

Minneapolis, Minn., June 9—
Charlie White of Chicago had a clear
margin over Johnny Tillman, of
Minneapolis in a ten-round boxing
match here today. Tillman was
floored in the second, fifth and sev-

INTERESTING ACCOUNT OF
LAST DAYS OF PRINCE

Given in Letter of Baptist Minister
Serving as Chaplain to German
Prisoners

London, June.—Correspondence of The
Associated Press.—An interesting ac-
count of the last days of Prince Karl
Friedrich, nephew of the German Em-
peror, who was wounded when flying
and taken prisoner by the Australians, is giv-
en in a letter received here from Mr.
Mr. Caldwell, a Baptist minister, who is
official chaplain to the German prison-
ers in the General Hospital at Aldershot.

"If I am anything," the minister quot-
ed the Prince as saying to him, "I am
a sportsman. I have played tennis with Wil-
ling and other first class players. I shall
never forget the good times I had in
England when I played them all. The
kindness which has surrounded me since
I became a prisoner has brought back
the memory of those days.

"The Australians were good to me; the
officers and soldiers who attended me
coming down the line were very consid-
erate and the whole atmosphere of this
hospital is kindness. I am grateful to
you all who wish me well.

"I am here a hopeless prisoner, but I
have no regrets. I did my best for my
country, and I am not sorry I am
wounded, and when the war is over I shall
go back and help to build up my nation
again."

"He shook hands with me each time
I came and went," said Mr. Caldwell.
"An hour or so before he died I played
with him. He was weak and very ill.
When I finished he opened his eyes
and with a smile said: 'Thank you, thank
you very much. He soon fell into un-
consciousness from which he never re-
covered."

MOORE WOMEN THAN
AMSTERDAM, Netherlands, June.—There
are more women than men workers in
the German empire according to the lat-
est official figures. Sick benefit mem-
bership lists show that approximately 4,
000,000 women are on the lists, or about
1,000 more than men, the latter totals
including 70,000 war prisoners who are
working for the government in various
capacities within Germany. Women ap-
plicants for employment continue in ex-
cess of positions open.

PROTEST AGAINST RACING BAN
DUBLIN, June.—The Irish Turf Club has
protested to the government against the
order prohibiting further horse racing
during the war. The club has asked the
authorities to permit a limited number
of meetings in the interest of horse-
breeding. It says that 300 persons in
Ireland alone are thrown out of employ-
ment by the ban on racing.

DISCUSSES SOCIAL

PROBLEMS OF THE WAR

Speaker at Charities and Correction
Conference Points Out that Social
Workers Must Bear Increased
Burdens of War's Destruction—
Wealth and Material Well-Being
of World Diminishing.

Pittsburgh, Pa., June 9—That
social workers must bear increased
burdens of war's destruction and
that belligerent nations are learning
by experience many of the lessons
taught by sociology in peace, were
dominant thoughts in a report on
"Social Problems of the War" pre-
sented to the National Conference of
Charities and Correction tonight by
Edward T. Devine, new York. Prof.
Devine is chairman of the publicity
committee of the Labor Division of
the Council of National Defense and
is prominent in social and philan-
thropic work. He said in part:

"We naturally think first, when
we try to see the significance of the
present tremendous events, of the
disastrous immediate effects of the
war on social welfare, of its destruc-
tiveness, its costs, its interference
with such movements and reforms
as this conference has sought to pro-
mote.

"It is our plain duty to withstand
such interference in so far as our
work is compatible with the primary
interests of the nation in the pre-
sent emergency. Much of it is not
only compatible, but is essential to
those primary interests. We are con-
fident, to take a concrete example,
that seven-day work in factories
child labor, and night work for
women cannot contribute to national
defense. To convince the legisla-
tures and executives of this would be
not merely to remain steadfast to
the social ideas of peace, but to
perform a patriotic service in the
present crisis.

"Strive as we may, however, to
maintain our normal activities and
to meet the new demands, we shall
find that the wealth and material
well-being of the world is diminish-
ing. We are paying the price of the
heroic decision that the world is to
be 'made safe for democracy.'

"England has learned—what
social workers and trade unionists
knew long ago—that over-work does
not pay. She has put the lesson into
printed blue text-books and our own
Department of Labor has reprinted
them for our instruction.

"France is learning—what only a
few in France have realized—that
tuberculosis is an infectious disease,
with disastrous social consequences
if the spread of the infection is al-
lowed.

"We learn the lessons easily not
only because the experiments are
convincing, but because we are
alert to learn, and because the
whole machinery of the press is at
our service to bring the lessons to
us. On the whole it must be said
that they are doing their part ex-
ceedingly well; investigating, re-
porting, emphasizing, interpreting.
Huge sums are invested by the Asso-
ciation of this universal education in the
social problems of the war, and skill-
ful investigators are commissioned
not as educators or philanthropists,
but simply as reporters, to take part
in the educational and philanthropic
enterprise."

RELATIVE FOLLOWS
WOMAN'S EXAMPLEFather Began Use of Tan-
lac After Mrs. Coultas'
Relief, Husband Says

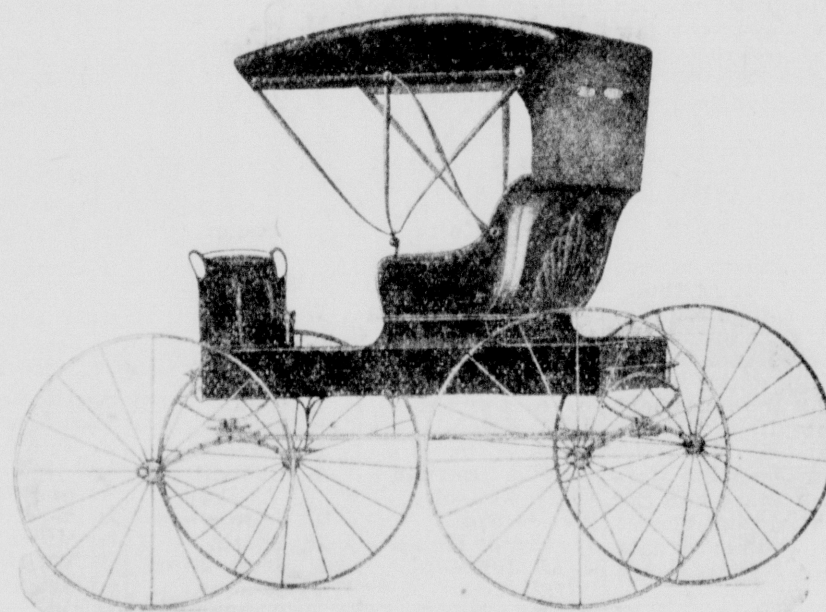

Out of gratitude for the relief his
wife gained through it, W. H. Coultas,
carpenter, residing on rural
route No. 2, Jacksonville, made the
following interesting statement on
June 5, regarding Tanlac, the cele-
brated new medicine:

"For more than two years Mrs.
Coultas had suffered severely from
stomach and liver trouble. Her liver
was very sluggish. She had to take
a purgative frequently. Gas would
form in her stomach and she invari-
ably feel bloated after meals. She
often complained of being hungry
but when meal time came she could
not relish a bit of the food.

"Albert Hill, a friend, had been
benefited by Tanlac and so I advised
my wife to try the new medicine. It
certainly was a lucky move for her
as she feels improved in most every
way now and has taken only one bot-
tle. Her liver is in much better
shape and the pains that formerly
bothered her in her back and stom-
ach have all disappeared. Tanlac
has improved my wife wonderfully
and I'm glad to let our friends know
what a fine medicine it really is. My
father-in-law is now taking Tanlac
and I intend to begin its use at once."

Tanlac, the Master Medicine, is
especially beneficial for stomach, liver
and kidney trouble, catarrhal com-
plaints, nervousness, sleeplessness,
loss of appetite and the like.

Tanlac is now being introduced in
Jacksonville at the Coover-Shreve
Drug Co., East Side store where a
special Tanlac representative is ex-
plaining the new medicine to the
public daily. Tanlac also may be ob-
tained at the West Side store of the
Coover-Shreve Drug Co. It is sold
in Waverly at the Wyle Drug Co.; in
New Berlin at the New Berlin Drug
Co.; in Ashland at H. O. Brown-
back's; in Versailles at A. C. Bates';
in Chapin at F. P. McKinney's; in
Rockhouse at W. D. Berry's; and in
White Hall at the City Drug store.

For Tired Women With Aching Heads

"They help me so much and I find relief as soon as I begin taking your Foley Kidney Pills," Mrs. Frank P. Wood, Morrill, Maine, R. F. D. No. 2. Sometimes it seems as if you can't stand the pain across your back. It is just making your life miserable and robbing you of all energy and strength. When you are constantly tired, head aches, aching, nerves "on edge," kidney action painful and burning, then is the time to start in at once on Foley Kidney Pills. They strengthen the weak, failing kidneys, increase their action, enable them to throw off the poisons that cause your trouble. Your nerves grow peaceful, sleep becomes sounder, nervous headaches disappear. As Mrs. Wood says: "I find relief as soon as I begin to take your Foley Kidney Pills." Be sure you get the genuine Foley Kidney Pills, for they are purely medicinal and contain no harmful drugs.

\$50,000 Owners' Contest to Follow Maxwell's Economy Triumph of May 23rd

Hundreds of Maxwells on May 23rd made good
our claim that a Maxwell will go further on a
gallon of gasoline than any other 5-passenger car—
now, from June 16th to 30th, we expect 40,000
Maxwells to make as good or a better show-
ing than was made on historic May 23rd.

We told you to watch the Maxwells with the
one-gallon red gas tanks attached to the
windshields.

We told you they were going to make history on
May 23rd.

That was Maxwell Gasoline Economy Contest
Day all over the United States and Canada.

And those Maxwells did make history

—achieved a triumph we defy the world to beat.

Fifty Maxwell cars went a total of 1,983.6 miles
on a total of 50 gallons of gasoline.

The average gallon mileage of those cars was
39.67.

And these weren't specially built cars.

They were privately owned Maxwells.

—in actual daily use by the men who bought
them.

892 Maxwell Cars Prove What Maxwell Economy Is

Those 892 cars covered 24,505.3 miles in the
aggregate on one gallon of gasoline each.

They averaged 27.47 miles each per gallon of
gasoline. More wonderful records are being
received daily.

We could rest our laurels on this great triumph

—but we don't intend to do that.

Nobody else can beat it

—so we're going to beat it ourselves.

\$50,000 In U. S. Liberty Bonds To Be Given Away Next Time

Inspired by the splendid success of the Maxwell
dealers' economy contest of May 23rd

—we're offering now \$25,000 in U. S. Liberty
Bonds as prizes to the 500 Maxwell owners
who make the best mileage on one gallon of
gasoline. Every Maxwell owner has an even
chance to win a bond.

June 16th to 30th are the opening and closing
dates of this second great Maxwell economy
contest.

FRENCH PORTS ANXIOUS
TO SHELTER U. S. SHIPS

Are Now Disputing for This Honor and Advantage During the War—Brest Has Advantage of Being First in Field, While Bordeaux Counts Upon the Prestige of Its Commerce.

Saint Nazaire, France, June—(Correspondence of The Associated Press)—Three French ports are now disputing for the honor and advantage of sheltering the United States warships during the war, and American shipping afterward.

Saint Nazaire is only 277 miles as either Brest, which had the further advantage of being first in the field, or Bordeaux, which counts upon the prestige of its commerce, but it offers advantages that its Municipal Council and Chamber of Commerce intend to exploit for all they are worth.

The British service corps transferred its quarters from Rouen and Havre to Saint Nazaire for prudential reasons during the retreat of the allies from Charleroi. British troops to the number of 120,000 with 12,000 horses, were brought there in 150 vessels in the fall and winter of 1914-15, and the first Canadian contingents landed there.

American ships also became familiar with the port after the British went back to Havre. More than a million tons of supplies and 160,000 horses from America were imported there.

The harbor of Saint Nazaire comprises a larger roadstead of a mile and a quarter long and nearly half a mile wide, and a smaller one about a mile long with a channel of about 500 yards length with a minimum of 20 feet of water, rising to 32 feet with the tide. There is thirty feet of water in the outer harbor at all times.

The port can berth 32 ships at a time with present accommodations that may be easily extended. Shipbuilding facilities are ample and all sorts of supplies available.

Saint Nazaire is connected with Paris and Marseilles by double railroad lines and has good communication with Switzerland thru Lyons. The "Nazariens", as the 36,000 inhabitants of the town are called, count upon their 13,000 neighbors of the sister city of Nantes, 25 miles up the Loire, to support their claims. Nantes, itself, possesses a comfortable port accessible to vessels of heavy tonnage.

Total Prohibition Not Favored. London, June—The agitation for total prohibition is considered to be doomed to failure by those who have seen the good results effected by the Central Board of Liquor Control. It is stated that excessive drinking has ceased to be a problem so far as the army is concerned and that restriction will do all that is necessary in other walks of life.

The Central Board of Controls' says that by establishing a strict system for the control and inspection of public houses it is possible to reduce excessive drinking. In houses in which liquor can be sold under conditions of comfort and decency and in which recreation and the sale of food is provided, customers are less inclined to drink to excess.

Statistics show that for the first quarter of 1917 convictions for drunkenness totaled 6,176 against 7,744 in the corresponding period of 1916, 14,076 in 1915 and 16,997 in the first quarter of 1914.

To Preserve Dr. Livingstone House. Capetown, June—Steps are being taken to preserve the remains of the house of Dr. David Livingstone, the famous explorer and missionary at Kolobeng and the graves in the vicinity. This was the third house the explorer built in Africa and from it made a journey in the course of which he discovered the Zambesi and the Victoria Falls.

During a short absence in Cape Town to see his wife off to England, a raid was made on the natives in the vicinity of Kolobeng by the Boers who destroyed most of the explorer's house and carried off his goods. Now thru the co-operation of a direct descendant of Sechele, chief of one of the Bechuan tribes, who was Dr. Livingstone's first missionary convert the ruins have been fenced in and the headman of a neighboring village has been placed in charge. The site will be under protection of the South African government.

Polish Regiment at Front. Kiev, June—The first Polish regiment, forming part of the Polish division of riflemen formed in the southern part of Russia, has left for the Russian front.

The Countryside Invites You

BRIGHT, beautiful June Sundays with all Nature in its happiest mood—it's the happiest time of the year for the man who owns a LEXINGTON Minute-Man Six.

Your car seems to share your enjoyment. The engine purrs happily, the hills do not bother it, on and on you go speedily, easily, comfortably. It's the acme of motor car pleasure.

The LEXINGTON Minute Man Six owes its speed, its power, its complete dependability to the Moore Multiple Exhaust System. This exclusive feature of the LEXINGTON gives 22.8% more power with less gasoline, makes a smoother, more flexible engine, reduces carbon and ignition trouble, and helps you get better results from present day low grade gasoline.

Probably no other car can be driven with less gear changing and is so responsive in high gear. This means pleasurable driving.

In the sociable, four-passenger LEXINGTON Clubster you get what is assuredly the most popular type of car right now—it combines the style and chumminess of the roadster with the capacity of the touring car.

No other four-passenger model you can buy will give you the satisfaction you will find in the LEXINGTON—and you'll have no trouble making up your mind when you see it and ride in it.

FARM PROPERTY
No matter what the conditions may be we have sellers and buyers—we have a method of finding them and getting them together, and that is why we have the business. Did you ever think of that?
No. 337—Let us show you a farm of 62 acres, three miles from a good railroad town in Morgan county, all fixed for a cozy home. House, barn, sheds, well, orchard, all complete. Twenty acres in oats, balance in grass. Price \$115 per acre. Easy terms.
No. 336—A farm of 160 acres, one hour's drive with a team from the city and one and a half miles from a shipping point. There is a five room house, fair barn, and other out buildings. Price \$135 per acre. Will carry one-half the money back on the farm. When can you see this one?

CITY PROPERTY
No. 725—On North Fayette we have a three room house on a lot 50x213 feet. There is gas, cistern, pump and sink inside with wood shed and chicken house. Price \$100.
No. 726—On North Diamond we have a five room house with gas for cooking and lighting; well and cistern. Price \$100.
No. 724—On North Church we have a modern nine room house with large lot, barn, garage—beautiful home. Price \$4000. Will take smaller property in exchange.
No. 728—On South Main Street we have an eight room house comparatively new, entirely modern and in prime condition. Barn, chicken house and garden. Price \$2500.
These properties are fresh from the owner this week and we solicit investigation from any person looking for a home or investment.

MONEY
Money is still in circulation through Story's Exchange—coming and going. If you have it and don't know how to borrow it bring it to us. If you need it and don't know who has it, come to us. We know.

"Sad" Irons" Make "Sad Women"

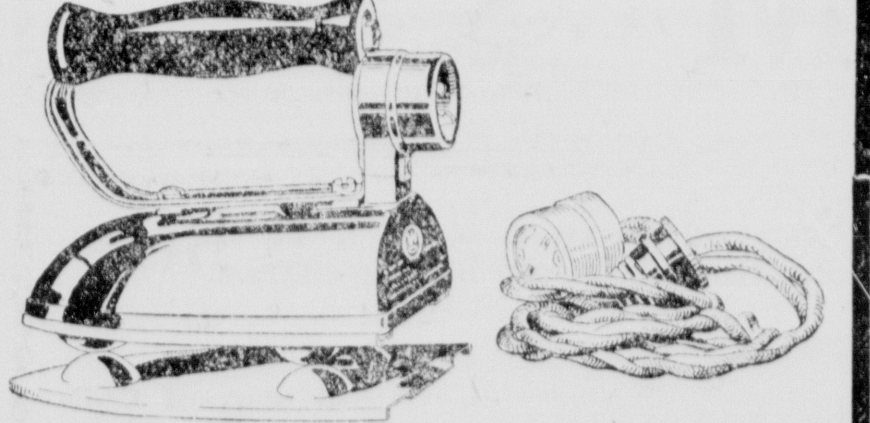

Have you, Mr. Man, ever noticed how tired your wife or daughter is after having done the family ironing with the old-fashioned out-of-date iron that must be lifted onto and off the stove many, many times. Have you kept count of the many times a finger or hand has been painfully burned, either in the blaze on the gas stove, or from the catching afire of the cloth pad which she uses in picking up the irons, or through touching the sizzling hot handle? Have you?

Do It Electrically

Just call No. 580 on either phone and tell us you want a new iron—one heated by electricity—with which the ironing can be done in record time at a very small cost—much less than you've been paying for gas or coal—and which is oh so much easier than the old antiquated way.

We Will Demonstrate

There's no use arguing, Mr. Man; there is no good reason why your wife should have to sweat all next summer around a hot fire; walking back and forth with an old-fashioned iron. One of our representatives will call on you soon and explain how you can buy an Electric Iron and have four months in which to pay. He'll demonstrate its superiority, too.

Jewelry Stock at Auction Sale

**Schram's Well Known Store
Going Out of Business**

SALES WILL BEGIN THURSDAY, JUNE 14

at 2:30, and Continue Twice Daily Until Every Article Is Sold.

Because of intervals of ill health I have decided to close out my entire Stock of JEWELRY, WATCHES and DIAMONDS. The history of the Jewelry business shows there is only one way to accomplish this in a short time and that's an Auction Sale.

**Everything In This \$50,000 Stock Will Be Sold at
Auction to the Highest Bidder**

It will be your chance to buy absolutely DEPENDABLE JEWELRY at your own price. Everything goes; nothing is reserved. This is not a sale of shop worn goods brought in for the occasion. The stock includes only clean, high grade goods, the kind we have always sold with our guarantee behind them.

YOU MAKE YOUR OWN PRICE

Just whatever you bid will be the selling price of DIAMONDS, GOLD and STERLING SILVER JEWELRY, WATCHES, CLOCKS, CUT GLASS, TABLEWARE, BRIC-A-BRAC, PINS, RINGS, BRACELETS, LAVALIERS, LEATHER GOODS, ART GOODS, Etc.

Sales at 2:30 and 7:30 P. M. THURSDAY, JUNE 14th, and every week day thereafter until the last of this great dependable stock has been purchased.

Famous Auctioneers Coming

BRIGGS & REID, who have a national reputation as Jewelry Auctioneers will personally conduct this sale. See and hear them even if you do not bid or buy. There will be no quibbling, no delays at this sale. You offer the price you can afford to pay and the goods are sold. We want to turn this stock into cash and to do it quickly.

WHAT PERMALITE IS

PERMALITE is a permanent and constant battery service for lighting and starting automobiles—a battery that lasts forever because of the Permalite System of Battery exchanges—an exchange conducted in identically the same manner as gas tank exchanges.

PERMALITE gives the automobile owner a permanent Electrical Service Exchange. Permalite stands in the same comparative relation to the ordinary battery as does the modern gas tank to the old form of acetylene generators, long since discarded.

PERMALITE is a battery so well and economically constructed by us that we can afford to lease to you for a nominal sum with a small exchange fee of \$1.25, and you can exchange it as often as is necessary at any of our service stations, without delay, receiving in its place another Permalite battery which will have been renewed at our expense and containing the same exchange guarantee.

PERMALITE is not sold—it is too expensive a battery to sell to automobile manufacturers on a competitive basis. We cannot afford to sell this battery to an automobile manufacturer at approximate cost in order to secure a hold upon the user. We have to get to make Permalite so good that we can give you the best battery service you ever had in order to keep you in our exchange. We have no other inducement to hold you.

MR. AUTO OWNER!

Why throw your old auto tires away when they are good for 2500 to 6500 more miles.

My method of taking two old tires and making one good one is saving thousands of auto owners from 50 to 75 per cent on their bills.

Send me two old tires and I will make one good tire that you can get from 2500 to 6500 more miles out of. In sending me tires be sure one has a good rim no matter how bad the tread is worn. For the other one that has a good tread no matter what condition rim is in.

If You Haven't a Tire with a Good Tread I Can Furnish You One

PRICES FOR DOUBLE TREADING

SIZE	When you furnish both tires	When You Furnish one tire	SIZE	When you furnish both tires	When You Furnish one tire
30 x 3	\$2.25	\$4.00	35 x 4	\$3.25	\$6.25
